

HILL COUNTY RESORTS - BUILDING #2 & #53

Canyon Lake, Texas

Hospitality

Project Description:

Hill Country Resorts is a recreational resort community that overlooks Canyon Lake in the famed Hill Country area of South Central Texas.

Cleveland Construction (CCI) completed construction on 2 wood framed condominium buildings on the property, Building #2 and Building #53.

Building #2, the Ambassador Villa, consisted of a 4-story resort style building with 16-units totaling 38,868 square-feet. Building #53, the Presidents Villa, consisted of a 4-story building with 16 luxury units totaling 29,840 square-feet. Both buildings were completed on time and within budget.

Owner: Silverleaf Resorts

Architect: Casco Services, LLC

Completion Date: June 2009

Delivery: General Contractor
