

VARSITY VILLAGE RICHARD E. LINDNER ATHLETICS CENTER

Cincinnati, Ohio

Hospitality & Entertainment

Project Description:

The Varsity Village project will for the first time in modern history of UC athletics provide a cohesive order for all sports on campus. The centerpiece of the Varsity Village project, the Richard E. Lindner Center serves as the home for all sports programs and centralized support services. Located between Nippert Stadium and Fifth Third Arena, the 236,000 square-foot facility is a futuristic eight-story structure which houses offices, locker rooms and reception and meeting space for each of the sport programs.

"Cleveland Construction was key in the successful and timely completion of the Richard Lindner Athletic Center. Glaserworks would be pleased to work with them in the future."
