

DISCOM BRIGADE BARRACKS COMPLEX FORT CAMPBELL, KENTUCKY

Project Details and Specifications:

Fort Campbell supports the 3rd largest Army population and has the 7th largest military population in the Department of Defense. Fort Campbell's primary mission is to advance the combat readiness of the 101st Airborne Division (Air Assault) and the non-divisional units posted at the installation through training, mobilization, and deployment.

Fort Campbell, encompassing over 164 square miles, maintains 48 live fire ranges, 3 high impact areas, 51 training areas, 5 drop zones, 200 artillery firing points, 51 maneuver areas, a special operations training center, and two airfields. Campbell Army Airfield is the Army's largest, spanning 2,500 acres and serving as a secondary landing site for the National Aeronautics & Space Administration and the space shuttle. Cleveland Construction, Inc. completed the interior trades contract for the DISCOM Brigade Barracks Complex.

Cleveland Construction, Inc. was recently recognized by the Savannah District of the Army Corps of Engineers for superior safety performance and quality for our work at Fort Bragg. CCI workers performed over 200,000 hours without a single lost time accident.
